

Luton Slot Car Club

Activities ...

We enjoy superb facilities in the Hobbies premises at Vauxhall Recreation Club.

Luton Slot Car Club meet on **Mondays at 7:30pm and Saturday Mornings at 10:00am** for beginners.

If you would like to give it a go or for more information contact Nick Thrower on 01525 872923, 07900 227222 or email him on nick.thrower@btinternet.com

About us ...

Extreme Scalextric Racing!

If you enjoy model cars, Scalextric, engineering or the thrill of competition - you must try this!

This is as far removed from Scalextric as Grand Prix racing is from Banger racing.

Imagine driving a lap at an average scale speed of 480mph and a maximum scale speed down the straight of 700mph - and in a car that costs £50.

Check the calendar at www.lutonslotcars.com
