## About us ...

We are a friendly but still competitive club who play in the sports hall at VRC with four courts at our disposal.

New members are welcome all year round, (Unfortunately we do not except beginners during the winter season).

We currently have 43 members, with a 70/30 split between male and female players. Ranging from an intermediate level to experienced across a wide age range.

At the end of each season we also run a handicapped club tournament for members to show off their skills.
