

Vauxhall Recreation Club World Cup Fantasy Football League

Terms and Conditions

The £100 Prize will be awarded to the person with the most amount of points come the end of the tournament. The Sky Sports Fantasy Online Competition will calculate the points and determine the overall winner.

A main meal for two in the Balcony Café Bar will be awarded to the highest placed current Lifelines member. If a Lifelines member finishes 1st overall and wins the £100 prize, the main meal for two will be awarded to the second highest placed Lifelines member.

An entry fee of £5 is required to be eligible to enter the Vauxhall Rec Club league and qualify for winning the £100 prize.

Anyone entering the league online but not paying their £5 entry fee via VRC reception by 7pm on Thursday 10th June will be removed from the Vauxhall Rec Club league.

Once the tournament is up and running then all rules and regulations relating to the competition will be as per Sky Sports game rules.

VRC staff will be permitted to enter as all team selection and point scoring is done through a third party (Sky Sports) and the entry payment is all auditable.

All monies taken over and above the £100 prize will go into Vauxhall Recreation Club funds (tax deductible).

Only one entry is permitted per person. Members and Non-members are welcome to enter.

When paying your £5 entry fee you will be issued a receipt. Please keep this receipt as it will be required to claim the £100 prize money.
